Watch-outs	On busy Liberty Rd (noise, resale)	Priced firm; confirm solar owned	Weak area/schools; window AC	City taxes high; 1924 build, VA appraisal

Bottom line. 6301 Liberty is the one to push on: the seller has chased this for 18 months and can't sell or rent it, so a VA offer in the low \$330s with closing costs covered is realistic (trade-off is the busy road). 4315 W Forest Park already fits the approval, so offer near ask and have the seller pay closing costs. Digby only if you'll stretch and it's still around in a few weeks. Wilmington is the middle option but the weakest location.
