The figures below estimate what you would net at closing at three different list prices. They are based on standard Maryland and Baltimore County seller costs and the property being owned free and clear. Actual numbers are finalized on the title company's settlement statement.

	Conservative \$275,000	Mid \$300,000	Target \$325,000
Sale price	\$275,000	\$300,000	\$325,000
Real estate commission (5.0%)	\$13,750	\$15,000	\$16,250
MD + Baltimore County transfer tax — seller's share (1.0%)	\$2,750	\$3,000	\$3,250
Settlement / closing fee	\$500	\$500	\$500
Deed & document preparation	\$150	\$150	\$150
Lien release / title clearance	\$150	\$150	\$150
Termite / WDI inspection	\$100	\$100	\$100
Wire, courier & notary	\$150	\$150	\$150
Mortgage payoff — owned free & clear	\$0	\$0	\$0
Total estimated costs of sale	-\$17,550	-\$19,050	-\$20,550
ESTIMATED NET PROCEEDS	\$257,450	\$280,950	\$304,450
Net as % of sale price	93.6%	93.7%	93.7%

Not included yet — set once we finalize strategy: home warranty for the buyer, any buyer closing-cost concession, pre-listing repairs or prep, and property-tax proration (depends on the closing date). Each is \$0 in this estimate.

Capital gains — you bought in 2013 for \$152,000. As your primary residence (owned and lived in 2 of the last 5 years), the first \$250,000 of gain is excluded from federal tax — \$500,000 if married filing jointly. At these prices the gain is well under that. Confirm with your CPA.

ASSUMPTIONS

1. Estimate only — not a closing disclosure or a guarantee of proceeds. 2. Commission of 5.0% total is a placeholder; it is negotiable and set in the listing agreement, with buyer-agent compensation negotiated separately. 3. Maryland state transfer tax (0.5%) and Baltimore County transfer tax (1.5%) are customarily split evenly with the buyer; the seller's half is shown. Recordation tax (~0.5%) is customarily buyer-paid and is not charged to the seller here. 4. Seller reports no mortgage, HELOC, or other liens on the property. 5. Baltimore County property-tax year runs July 1–June 30; proration is set at closing once a date is known.
