The buyers knocking on your door during the renovation are almost all investors and flippers looking to buy near as-is value. This compares taking one of those offers against finishing the renovation and selling on the open market. Anne Arundel County seller costs; the mortgage payoff is the same subtraction in every column, so it does not change the comparison.

	Sell to a door buyer (as-is, no agent)	List and sell at \$470,000	List and sell at \$485,000
Sale price	\$435,000	\$470,000	\$485,000
Real estate commission (none)	—	\$23,500	\$24,250
Anne Arundel transfer & recordation — seller's share (~1.0%)	\$4,350	\$4,700	\$4,850
Settlement / closing fee	\$500	\$500	\$500
Deed & document preparation	\$150	\$150	\$150
Mortgage payoff processing & lien release	\$175	\$175	\$175
Wire, courier & notary	\$150	\$150	\$150
Total deductions	-\$5,325	-\$29,175	-\$30,075
NET BEFORE MORTGAGE PAYOFF	\$429,675	\$440,825	\$454,925
vs. the door offer	—	+\$11,150	+\$25,250

What this means. Even after paying a full commission, finishing the renovation and selling on the open market nets you roughly **\$15,000 to \$25,000 more** than a door offer at as-is value, and more than that against a lowball. The renovation you are doing is exactly the value a door buyer wants to capture for themselves. Listing captures it for you.

And you choose the buyer. On the open market you will likely have several offers at \$479,900. You can prioritize an owner-occupant family, review buyer letters, and put a no-assignment clause and an occupancy affidavit in the contract to keep wholesalers out. With one buyer at your door, you have one take-it-or-leave-it offer and no leverage.

ASSUMPTIONS

1. Estimate only, not a closing disclosure or a guarantee of proceeds. 2. Door-offer price of \$435,000 reflects recent as-is / un-renovated sales of this size in Woodland Beach (\$415,000 to \$430,000); an actual door offer could be higher or lower. 3. List prices of \$470,000 and \$485,000 bracket recent renovated comps; 1604 Oriole Rd (same size, updated) sold at \$480,000 in 13 days. Assumes the renovation is finished before listing. 4. Commission of 5.0% is a placeholder, negotiable and set in the listing agreement; buyer-agent compensation is negotiated separately. 5. Anne Arundel County transfer and recordation taxes shown at the seller's customary portion (about 1.0%); the exact split is set by contract and confirmed by the title company. 6. Mortgage payoff is not shown because it reduces every column by the same amount. Provide the current payoff for a final net figure. 7. Property-tax and any community-association proration are set at closing.
